

# PROJECT SUBMISSION INFORMATION

All Project Submissions and images shall be bound in a presentation binder, and be submitted by **April 11, 2013**.

Submissions must include:

- ◆ A written description;
- ◆ Colour printed project photographs;
- ◆ Electronic project photographs.

*All the above is outlined below.*

The binder and CD of electronic photographs shall be sent to:

Larry McManus  
Wilkinson Steel and Metals  
888 S.E. Marine Drive  
Vancouver, B.C. V5X 2V3  
Email: [lmcmamus@wilkinsonsteel.com](mailto:lmcmamus@wilkinsonsteel.com)  
Fax: 604 301 3222  
Phone: 604 301 3203

## Written Description

- ◆ A brief written description which shall include a discussion of factors considered, and reasons why the steel solution was selected.

## Photo Information

### ◆ Colour Printed Photographs

- That provide good visual representation of the project.
- A number of hard copy high-quality photographs (FIVE are recommended) shall be included with your submission and bound in the presentation binder.

### ◆ Electronic Colour Photographs

- At least FIVE high-resolution (300 dpi) electronic images of the finished product and PowerPoint images must accompany the submission, in jpeg format on a CD.
- Electronic or Printed Drawings are not required, but may be included.
- Include the names of individuals or firms to be credited for the images.

### ◆ Submission Rights

- All Submissions become the property of CISC and will not be returned. CISC will have exclusive rights to print, publish, distribute and sell throughout the world the said Submission and parts thereof, including all revisions or versions and future editions, in all forms and media of expression – such as in its electronic form (offline, online) – now known or developed in the future, as well as to translate, print, publish, distribute and sell the Submission in any languages and throughout the world.
